Guests are responsible for their visitors and failure to follow this policy will result in additional charges being added to your account and/or up to expulsion from the park.

**Parking:** Site escorts are provided during business hours as a courtesy. Park staff is not responsible for parking, leveling, hooking up or ensuring that your RV is not damaged while parking. Do not park on the grass! All vehicles must be parked in your site and on the gravel. No parking in empty sites. Additional parking at the Ranger Station if needed.

**Garbage:** Please do not leave your trash out over night. Place it in the dumpster or we will provide trash pick-up from 10-4. Placing trash outside the dumpster may result in fines and up to expulsion. Household bagged trash only. **Pets:** At West Georgia Jellystone Park™ we love our animals. However, pets must be leashed at all times when outside your RV per County Ordinance and for the safety of other guests and the other park animals. Pets may never be left unattended outside. No fencing, runs, or staking is allowed at your site. Pets are not allowed in the pool area. Aggressive behavior from any pet may result in that pet being asked to leave the park. **YOU MUST PICK UP AFTER YOUR PET,** failure to do so may result in fines or expulsion from the park.

**Pool:** The pool is open seasonally and hours are subject to change. Management reserves the right to close the pool at any time for any reason. Only locally purchased firewood is permitted inside the park. Firewood can be purchased inside the Ranger Station for a reasonable fee.

**Fire Rings & Grills:** No burning or storing of trash in fire rings or grills. No unattended fires. Do not move fire rings from their designated location.

**Sites:** All sites are maintained to the best of our ability and we strive to ensure that they are as level as possible. However, all gravel sites will inherently be unlevel to some degree. It is your responsibility to know how to operate, level, and maintain your RV. The park and its staff will be not responsible for leveling your RV or the inability for your RV to get level. All efforts will be made to accommodate any site change requests, but this will be at management's discretion and park needs.
